Finnegans Wake & Exiles James Joyce 2017-07-06 Finnegans Wake is a novel by Irish writer James Joyce. It is significant for its experimental style and reputation as one of the most audacious works of fiction in the English language. Written in Paris over a period of seventeen years, and published in 1939, two years before the author's death, Finnegans Wake was Joyce's final work. The book discusses, in an unorthodox fashion, the Earwicker family, comprising the father HCE, the mother ALP, and their three children Shem the Penman, Shaun the Postman, and Issy. Exiles is a play by James Joyce. It draws on the story of "The Dead", the final short story in Joyce's story collection Dubliners. The basic premise of Exiles involves a love triangle between Richard Rowan (a Dublin writer recently returned from exile in Rome), Bertha (his common law wife) and his old friend Robert Hand (a journalist). This arrangement is slightly complicated by a second love triangle, involving Rowan, Hand, and Hand's cousin Beatrice Justice. There are obvious parallels to be drawn with Joyce's own life - Joyce and Nora Barnacle lived, unmarried, in Trieste, during the years the fictional Rowans were living in Rome, while Robert Hand is roughly the same age of Joyce's friends Oliver St. John Gogarty and Vincent Cosgrave, and shares some characteristics with them both. James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, a landmark work in which the episodes of Homer's Odyssey are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he utilized.

Godey's Lady's Book Louis Antoine Godey 1871 Includes music.

CRIMEAN WAR THROUGH THE EYES OF GREAT WRITERS Leo Tolstoy 2019-09-09 The Crimean war is unconventionally presented in this book, in which classic literary works are collected representing from different points of view the artistic interpretation of the legendary events. It was a military conflict taking place from October 1853 to February 1856 in which the Russian Empire lost to an alliance of the Ottoman Empire, France, Britain and Sardinia.
