Living the Wisdom of the Tao Dr. Wayne W. Dyer 2008-01-03 "This book offers you an opportunity to internalize and directly experience the great wisdom of the Tao Te Ching, a collection of verses authored by the Chinese prophet Lao-tzu." The words Tao Te Ching translate to 'living and applying the Great Way.' Although just 81 short verses, the Tao encourages you to change your life by literally changing the way you think. By reading through the verses presented here (which I've pieced together after reviewing hundreds of translations)—along with the corresponding affirmation I've created for each verse—you'll be embarking on a path that encompasses the profound ideas that Lao-tzu intended to convey." The Tao Te Ching offers you Divine guidance on virtually every area of human existence. It is a new way of thinking in a world that needs to recapture its ancient teachings. Work with the verses and affirmations regularly and you will come to know the truth behind the ancient Tao observation: When you change the way you look at things, the things you look at change." — Dr. Wayne W. Dyer

Being in Balance Wayne W. Dyer, Dr. 2016-07-12 In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end – featuring the objects of your desires – sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts.

The Shift Dr. Wayne W. Dyer 2019-05-30 The Shift—a companion book to the movie of the same name—illustrates how and why to make the move from ambition to meaning. Such a shift eliminates our feelings of separateness, illuminates our spiritual connectedness, and involves moving from the ego-directed morning into the afternoon of life where everything is primarily influenced by purpose. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. The Shift doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than never-ending demands and false promises that are the trademark of the ego's agenda. As Dr. Wayne W. Dyer so eloquently reveals in these pages, we all have the choice to shift our lives from ambition to meaning . . . and thereby complete our return to the Source that created us.

It's Not What You've Got Wayne W. Dyer, Dr. 2007-09-21 Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has written a new book in his series of inspirational books for kids. You're Not What You've Got addresses the topics of money and abundance, with the understanding that children's earliest thoughts and perceptions about money are those that will last throughout their lives. The concepts presented in this beautifully illustrated book include: Money does not define who you are; it doesn't matter what others have, and abundance comes in many forms. Unlike most books on this subject, It's Not What You've Got is not a how-to manual on spending and saving for kids, but rather a positive, spiritual approach to the meaning of money.

A Promise Is a Promise Wayne Dyer 2009-11 A Promise is a Promise "Promise you won't leave me, will you, Mommy?".... "Of course not, I would never leave you, darling, I promise. This is a phenomenal book about two ordinary people, the miracles that have made their lives extraordinary, and the lessons that you can learn from them. Getting in the Gap Dr. Wayne W. Dyer 2021-08-10 Why Meditate? The practice of meditation takes us on a fabulous journey into the gap between our thoughts, where all the advantages of a more peaceful, stress-free, healthy, and fatigue-free life are available—but they're merely side benefits. The paramount reason for daily meditation is to get into the gap between our thoughts and make conscious contact with the creative energy of life itself. In this uplifting book, Dr. Wayne W. Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us about.

You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government entity, or religious group can legitimately claim to do this for you. "In fact," says Dr. Dyer, "I agree with Carl Jung, who said that one of the main functions of formalized religion is to protect people against a direct experience of God." (Dr. Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download.) When you master getting into the gap, stay there for prolonged segments of meditation, and experience what you bring back into the world, you'll truly know the answer to the question: "Why meditate?"

Vervul je wensen door de kracht van fantasie Wayne W. Dyer 2013-01-04 Het grootste cadeau dat je hebt gekregen, is je fantasie. Alles wat er is, was ooit een droom. En alles wat er ooit zal zijn, moet eerst gefantaseerd worden. Als je het gevoel aanneemt alsof je wensen al vervuld zijn - en je je niet laat afleiden door de buitenwereld - dan zul je ontdekken dat het mogelijk is, door spiritueel bewustzijn, te worden wie je moet zijn. Na de Tao heeft Dyer nu, voor de eerste keer, het Joodse mystieke gedachtegoed bestudeerd. Als je het lef hebt je gelijk te stellen aan God, dan zullen je wensen in vervulling komen.

Living an Inspired Life Wayne W. Dyer, Dr. 2016-03-01 There's a voice in the Universe entreating us to remember our purpose, our reason for being here now in this world of impermanence. The voice whispers, shouts, and sings to us that this experience—of being in form in space and time—has meaning. That voice belongs to inspiration, which is within each and every one of us. The feelings of emptiness; the idea that there must be something more; wondering, Is this all there is? and trying to determine the meaning of life . . . this is all evidence of a yearning to reconnect with our soul space. We're aching for our calling to be felt and expressed. In Living an Inspired Life (previously published under the title Inspiration), Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition—we can choose—so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences—it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration—your ultimate calling.

The Insider's Guide to Renovating for Profit

The Power of Intention Dr. Wayne W. Dyer 2004-07-01 'Change the way you look at things and the things you look at will change.' Wayne Dyer For years Wayne Dyer has been researching the power of intention, the energy that surrounds all of us. He tells us how we can train ourselves to tune into this energy and step beyond our minds and egos. When we do this we become what Dyer calls 'Connectors' and make ourselves available to the energy of success. Connectors are the people whom everyone sees as lucky, the people who get all the breaks. They don't say, 'With my luck, everything will go wrong,' they just know things will go well. They trust an invisible force that will be all-providing and just don't attract negativity to themselves. This book is full of dynamic steps that we can use to tap into this transformational energy. This book explores intention - not as something you do - but as an energy you're part of. We're all intended here through the invisible power of intention. This is the first book to look at intention as a field of energy you can access to begin co-creating your life!

Excuses Begone! Wayne W. Dyer, Dr. 2009-05-26 In Excuses Begone! Dr. Wayne W. Dyer reveals how to change lifelong, self-defeating thinking patterns that prevent you from living at the highest levels of success, happiness, and health. You may know what to think but find it terribly difficult to change thinking habits that have been with you since childhood. This business of changing habituated thinking patterns is really the business of eliminating the same old tired excuses. People are forever using excuses and defending those excuse patterns as if they were actually true. Such statements as 'It would be very difficult for me to change . . . If I changed, it would create family dramas . . . I'm too old or too young to change . . . I've always been this way . . . It's in my DNA so I can't change . . . I can't afford the things I truly want and I've always been this way' are all excuses that are used regularly without challenging the truth of these thinking habits. When you eliminate excuses that explain your shortcomings or failures, you'll awaken to your infinite possibilities. Removing the excuses involves examining these thinking habits under a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious excuses employed by virtually everyone, along with a new paradigm that guides you to put those excuses to rest once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of the Excuses Begone! paradigm. The old habituated ways of thinking will melt away as you experience the joy of releasing excuses and the absurdity of hanging on to them. There are no excuses worth defending ever, even if they've always been part of your life. This book represents Wayne's effort to help anyone whose self-defeating thoughts are persistently present, learn how to discard those old thinking habits, and discover the infinite possibilities of life!
