Deepalpur to San Francisco Ved Prakash Gupta 2020-09-08 The book is about a village boy, who got rearing under the patronage of God-fearing mother and disciplinarian father, who was running a grocery shop in the nearby town. Struggling with the least facilities in the village and later in the nearby town, the boy could become lecturer in a degree college. Though he lost his job, the young boy was determined not to give up and succeeded in getting job in NCERT- The National level body. The book has many interesting innovations in education that are discussed including a chapter on the infamous Bhopal Gas tragedy of 1984. Later, the young teacher got an invitation from Manchester University for joining the course on EPPAM, thus initiating exposure to culture and functioning of a developed country. Thus adding anecdotes from U.K. Paris, New York, Sydney, Gold Coast, Auckland, and San Francisco, the autobiography also explores the Covid- 19 pandemic, and proposes meditation as conceived during Kriya Yoga.

**EDUCATIONAL ADMINISTRATION AND MANAGEMENT** Dr. M. Sudarshan 2022-07-14 Educational administration is regarded as the process of integrating the appropriate human and material resources that are made available and made effective for achieving the purposes of a programme of an educational institution. The term 'Administration' doesn't refer to any single process or act. It is like a broad umbrella encompassing a number of processes such as: planning, organizing, directing, coordinating, controlling and evaluating the performance. The same situation occurs in the field of educational administration. The concept of educational administration is applicable in case of an educational organisation which has certain purposes or goals to fulfill.
